## Meet Assignments

You will need to bring 5-6 helpers for each event you are assigned to cover. Please make sure the official knows the rules for each event. And make sure they can help the entire time and won't stop the event they are running so they can do splits for the 3200 (something that actually happened). If you are struggling to find someone that will do a great job, please let me know. And please do not bring knucklehead helpers that will decide to have a tug of war with the tape measure between flights (something that actually happened).

Discus – Syracuse

Shot Put – Fremont

Javelin – Weber

High Jump – Layton

Long Jump – Clearfield

Pole Vault – Farmington

Hurdle Crew/Hurdle Umpires – Davis

## Entries

70 entries per gender per school. Entries can be split up between all events. Each school will be allowed to enter one (1) relay team per relay event.

The top eight (8) times for lane events (regardless of heat placing) and the top nine (9) marks for field events will advance to the finals at the region championships. Top 8 places will score in each event.

Medals will be awarded to the top six (6) finishers in each individual event and the first-place relay teams for the Region Championships, with a trophy awarded to the first-place team.
