Information:

Coach Leroy Bates, FISD Athletic Trainer, will be on site for athlete care. All teams/athletes are asked to bring their own personal water bottles, athletic tapes, and medical kits. Water will be available.

- Coaches must direct athletes to stay in designated areas. Only those warming up for events may be on the warmup section of the field.
- Restrooms are available adjacent to the concession stand area by the press box.
- No sunflower seeds, gum, or Gatorade allowed on the track or football field.
- Team canopies may be set up high in the stands on both home and visiting stands.
- Tell your athletes to use the trash cans so we can keep the bleacher and field areas clean.
- No boom boxes or sports equipment other than those used in the meet.
- **Final call is final call.** If the athlete is not on the starting line they will be disqualified. Coaches, it is your responsibility to have them ready. Tell your athletes they need to listen for their events. They will be scratched from a running event if they do not report to the Clerk of the Course by the third and final call.
- **Athletes may participate in a total of 5 events with a limit of 3 running events.** An athlete is permitted to enter 5 field events, but then no running events.
- **4 X 200 meter Relay** – All runners will stay in their lanes the entire race
- **Hurdle heights** are as follows: Boys 110 meter 33"s. Girls 100 meters 30"s.
- **Shot Put:** Girls and Boys: 4K (8.81 lbs.)
- **Discus:** Girls and Boys: 1K (2.20 lbs.)
- **High Jump: (Starting heights are 3'6" girls, and 3'8" for boys) Jumper must jump off of one foot.** Athletes are given 3 attempts at each height. Crossbar must be measured by the standards and from the center of the bar to the ground to ensure proper height. Bar is to be raised in 2" increments until four jumpers are left, then it will be raised in 1" increments. All participants are required to jump at a given height before the bar is raised (unless the jumper chooses to "pass" on a height or fails to check in within 10 minutes of their event, in which case the bar will be raised to the next height). It is considered a scratch if the jumper knocks down the bar or if the jumper touches the mat during a run through. **Please instruct your high jumpers that once the competition starts, the crossbar may not be lowered.**

Shot Put: Girls 6lbs / Boys 8.8 lbs

Thrower must enter and exit through the back of the ring. The thrower must start with the shot put aligned with the side of their chin and must release it with a "pushing" motion as opposed to a "throwing" motion.
